SUBJECT

Notes to be taken of the conduct of Candidates who gave false ages in connection with their applications for Probationers

WD 0295—GPB—22.500—13-8-37

Serial No.

From. The Revenue Commissioner

No. C. 3626/36-37 dated 24.5.37

Brings to notice certain instances of Candidates who have given in correct date of birth in their applications for posts of probationers and suggests that, as a disciplinary measure such of the Candidates who are not in service and who have given false ages should be debarred from entering Govt. service and those who are already in service maybe servicewise removed.

In para 4 of Government Notification No. 2092/C.B. 125-36-2, dated 23rd February 1937 inviting applications for the posts of probationers it was specifically mentioned that "no applications from candidates who are over 25 years of age will ordinarily be entertained." As to the correctness of the date of birth given in the application, the candidates were required to produce

(a) Original horoscope of the applicant,
or (b) a declaration as to his age sworn to before a Magistrate and attested by him.

2. The number of applications received was 369. Only applications of candidates who were ~~found to be over~~ under 25 years of age (excepting the Adikarnataka candidates were ~~not~~ considered in the Committee, and on this basis 130 were selected for interview It is only with regard to these candidates that verification of the age given in the applications

with reference to that given in their S.S.L.C. ~~applications~~ certificates, was made. It is reported that with a view to get round the age limit some candidates appear to have under-~~mentioned~~ estimated their age, and given incorrect dates of birth in their applications. The cases of eleven candidates whose conduct came to notice in this connection have been reported to Government for disciplinary action. Of these the undermentioned six persons are in service.

1. S. Puttaraj Urs, B.A., Probationary Sub Inspector of Police.
2. B. Nagabhushana Aradhya, B.A., LL.B., Prosecuting Sub Inspector of Police.
3. G.N. Lingappa. B.Sc., Probationary Sub Inspector of Police.
4. N.V.Siddalingappa, M.Sc. Probationer, I & C. Department.
5. M.S. Boriah, B.A. Clerk, District Police Office, French Rocks.
6. A. Srinivasa Ivengar, Lecturer, Inter College.

The following five candidates are not in service.

1. B.C. Channaraj Urs, B.Sc.
2. K. Abdul Wahab. B.A., LL.B.
3. S: Narasappa, B.A.(Hons.), LL.B.
4. R. Sanjeevalu, B.Sc., LL.B.
5. V.N. Channakrishnappa, B.Sc., LL.B

The Revenue Commissioner (who was also Chairman of the Selection Committee) states that the Committee were strongly of opinion that some disciplinary action should be taken in cases in which there had been an underestimating of age. He suggests

(i) that such of the candidates who are not in service and who have given false ages should be debarred from entering Government service: and

(ii) that the candidates who are already in service may be suitably punished.

Serial No.

4. It is submitted that the names now reported by the Revenue Commissioner may not include all the candidates who had given inconsistent ages, as similar verification was not made in regard to the applicants not called for the interview. It is for consideration whether the persons referred to in the Revenue Commissioner's letter need be given a further chance to offer any ~~further~~ explanation in regard to the discrepancy in their date of birth.

5. As regards the nature of the punishment proposed, it is submitted that in a recent case where such discrepancies came to the notice of the C.R.B., the candidate was debarred from entry into service for two years. It is for orders if in the cases now under advertence the bar against entry into service may be for any specific period or indefinitely

7 Of the 5 non-officials, 4 are Law-Graduates and one a B. Sc.

8 As regards the officials, it is for orders whether the facts brought to light may be communicated to the Heads of Depts. for ~~~~ action ~~~~ ~~~~ As regards the non-officials, the punishment proposed by the Revcom^r. to debar them from entering Govt. service ~~~~ may be very hard if the bar is to be permanent It is for consideration if the debarring may be for a year or two or other specific period ~~~~ the C.R.B. in some cases All the candidates seem to be young men with ~~~~ high qualifications

It is also for consideration whether any explanations in writing need be called for ~~from~~ before taking action against the non-specials. The Rev. Comr. has said that the explns. given by the candidates invariably agree at the interview was that the dates now furnished were correct and that those given for the S.S.L.C. were based on unverified information. The Rev. Comr. considers the S.S.L.C. age to more worthy of credence as it was given disinterestedly (~~It is, however, also possible that some of~~ them ~~may~~ might have been young & thoughtless,

CHIEF SECRETARY. 27. MAY 1937 GOVT. OF MYSORE.

10. I think in fairness an opportunity should be given to the candidates whose date of birth has been challenged on the ground of discrepancies between the dates given for S.S.L.C. and subsequent Exams to establish satisfactorily what their real ages are and to explain why these differences have arisen. This is specially necessary in the case of those who are already in service. The only way that this

Can be done would be by producing authentic copies of the Registers of births and other proofs regarding family history.

11) The question of Candidates who are not already in service may be similarly dealt with whenever they seek employment in Govt. service

12) There is no question that several candidates have knowingly given wrong ages with a view to secure an uncertain advantage - for eg. the two candidates studying in the Law College at Madras

No. CB. 34/36-37 dated 1.7.1937

States that the explanation furnished by Mr N.V. Siddalingappa in regard to the discrepancies in his date of birth does not seem to be acceptable, that his work as Marketing Probationer leaves much to be desired and suggests that he may be removed

29 Mr. N.V. Siddalingappa M.Sc is employed as Probationer for Marketing Survey work on Rs 60/- per mensum. The Connected Secretariat file is put up vide flag Z

30 He is one of the candidates whose conduct has been brought to notice by the Revenue Commissioner as having given wrong age in connection with their application for appointment as Probationers.

31 Mr Siddalingappa has declared 1908 as the year of his birth in the S.S.L.C. register while in his application for the post of Probationer he has given his date of birth as 23.8.1912. The difference is nearly four years. He states that 23.8.1912 is his correct date of birth and that the same date is entered in the University registers also. With reference to the entry in the S.S.L.C. register he says that he had approached the University to make necessary corrections. The Director of Dand C states that the explanation furnished by the official "does not seem to be acceptable". Mr. Siddalingappa's work as Marketing Probationer is reported to be not satisfactory

32 The Director suggests that the official may be removed from the Dte Department and posted as a clerk elsewhere

The Director of D & C. does not consider as acceptable the explanation furnished by Mr N.V. Siddalingappa Probr, D&C dept. (on Rs60), for the difference of 4 years in the age given by him for his S.S.L.C (1908) and that given in his application for the post of Probationer (23.8.1912). It may, however, be mentioned that the candidate's age according to the College records (Vide Principal's certificate d. 16.1.1934) is 23.8.1912. Mr Siddalingappa says he addressed the Universities about rectifying the difference in age, but he does not say how there was occasion to notice the discrepancy and what the reply of the University was. However, the College records seem to show the age as 1912.

36 The Director also says that Mr Siddalingappa's work as D&C Probr. is not satisfactory, that he is not putting his heart into the work and is always trying to get out of the Department

Letter No. CB 34/36-37 dated 10.8.1937 from the Director of Industries and Commerce in Mysore, forwards the further explanation offered by Mr Siddalingappa together with the documents produced by him.

54 From the papers now produced by Mr M. Siddalingappa, the following facts appear.

55 Mr. Siddalingappa passed the B. Sc Examination in 1930 and joined the Maharaja's College, Mysore, for prosecuting his studies further. In Nov. 1930, his father, Mr. N. Veerappa wrote to the Vice-chancellor, Mysore University, stating that his son's (Mr. Siddalingappa's) age as entered in the S. S. L.c records was incorrect & that the mistake had been perpetuated in the Inter college registers also

NOTE—Contn Sheet.

WD 03594—GPB—30,000—18-7-35

Mr. Veerappa requested that his son's correct date of birth as indicated by his horoscope may be entered in the College registers. In reply he was informed that "the usual procedure was to sign a declaration before a magistrate and use that declaration whenever he wanted to substantiate his son's date of birth" and "that the University could do nothing in the matter"

56. Mr. Siddalingappa affirms that his age as entered in the S. S. L. C. records viz, 1908 w[illegible] that the month and date is incorrect and that his real date of birth is 23. 8. 1912. He contends that he has consistently given out the stated date in connection with his applications for

(i) the post of Revenue Probationer in 1933,
(ii) the post of Revenue Probationer in 1935,
(iii) the post of clerk in Gen & Rev Secrt in 1936,
(iv) the post of Commerce Probationer in 1936 and
(v) the post of Probationer in 1937.

The Principal's certificate shows that the same date is entered in the College records also.

57. Submitted with reference to Second Member's minute dated 17.7.1937. (para 49).

From the papers now produced the following facts are gathered: -

(1) Mr. Siddalingappa & his father have been attempting since 1930 to get the date of birth ~~altered~~ altered from 1908 (as entered in the S.S.L.C. Register) to 23rd August 1912 - the date which is claimed to be correct. The latter date appears to have been consistently adopted in all applications subsequent to 1930, i.e. for his B.Sc. examination and for appointments

(2) An extract from the Births & Death Register of the Village (in which he is stated to have been born) is sent which indicates that a male child was born to one Veerappa on 23.8.1912

59 Re (1) it is submitted that in his explanation now given Mr Siddalingappa says that in his application for the S.S.L.C. he gave his date of birth as 23.8.1912 and in spite of the year 1908 has been entered in the S.S.L.C. by a clerical error

NOTE—Contn. Sheet.

WD 0417--GPB—30,000-8-9-36

This statement is not quite consistent with what has been stated in the application addressed to the University ~~(by his father a later~~ in 1930 wherein it is mentioned that the age given by Sri Siddalingappa "when he had appeared for Matriculation was wrong and the same error had been continued even when he had appeared for Inter Science Exam". If the correct age (1912) had been mentioned in the S.S.L.C. application and a mistake had occurred in the ~~the local Exam. office~~ in writing up of the S.S.L.C. Register, that circumstance might perhaps have been brought to notice in 1930.

No. G. 2. C. 419/36. dated 29.9.1937.

From. The Inspector-General of Police

Regarding the discrepancy in the age given by Messrs G.N. Lingappa, M.S. Boriah, B. Nagabhushana Aradhya and S. Puttaraj urs in connection with their application for appointment as Probationers, as compared with that mentioned in the S.S.L.C. registers.

70.(1) The case of Mr. G.N. Lingappa, Sub Inspector of Police

His date of birth as entered in the S.S.L.C. register is 15.1.1911. The date given in his application for post of probationer is 15.1.1913. Explaining the discrepancy, the official states that by the time he entered his School final course, he had lost his parents and that the date entered in the S.S.L.C register was given by somebody without reference to his horoscope etc. It was only when he secured an appointment in Govt. service he set about in earnest to get at his real date of birth with the result that his horoscope was traced in his eldest sister's house. The date according to the horoscope would be 15.1.1912

NOTE—Contn. Sheet.

WD 0284—GPB—30,000—13-9-37

Accading to his statement, Mr Lingappa passed the Lower Secondary Examination in the year 1923-24. If the date entered in his application is taken into account, he would be about 10 years of age when he passed the L.S. Exam^n. The D. G. P. says "that if the candidates date of birth was 15.1.1913, he was ten years of age when he first went to school in 1923 which seems reasonable." His date of birth as accepted by the Mysore State Life Insurance Committee seems to be 15.1.1913. Slip "g"

71 (ii) The case of Mr. M.S. Boriah. Clerk, Provincial Reserve Police office, Bangalore

His date of birth as entered in the S.S.L.C. register is 14.4.1909 while that given in his application is 12.6.1913. In defence of the latter date, Mr Boriah says that the former date was entered in the admission form when he joined the 1st class in Mairmalleppa High School where he studied upto VI^th Form. and that the date was furnished without reference to his horoscope. It was only after he entered Govt service he "looked into his horoscope which disclosed that his real date of birth was 12.6.1913." This date was accepted by the M.S.L.I. Committee also. Mr Boriah

Serial No.

says that he passed the L. S. Examination in 1922 which would mean that he was 9 years old then.

72. (iii) The case of Mr. E. Nagabhushana Aradhya, Prosecuting Sub-Inspector of Police.

His date of birth as entered in the S.S.L.C register is 20.1.1905. The date given in his application is 16.1.1913. Mr. Aradhya says that he did not consult his parents when he furnished his age in his applications for several examinations for which he appeared from time to time and that in no case was the actual date of birth mentioned. He passed the L. S. Examination in 1922 viz when he was just 10 years. He passed the S.S.L.C. Exam in 1925 and if the date entered in the SSLC Register viz 20.1.1905 is taken into account, he would be 21 years, which, the candidate says, is "clearly opposed to facts". According to his statement, Mr Aradhya appears to have consulted his horoscope for the L.C. time with a view to find out the real date of birth, after he entered Govt service.

73. (iv) The case of Mr S. Puttaraj MA, Probationary Sub-Inspector of Police,

NOTE—Contn. Sheet.

WD 0281—GPB—30,000—13-3-37

His date of birth as entered in the S. S. L. C register is February 1910, while that given in his application is June 1914. Mr. Puttaraj Urs says that having lost his parents while he was very young, he gave some age during his educational course, but having subsequently learnt from his relations his correct age, he got an affadavit sworn to by his relation Mr Devaraj Urs to the effect that he (Mr. Puttaraj Urs) was born in June 1914. The D G P says that the matter, however, presents some difficulty since if the applicant was born in June 1914, he must have been 22 on 28.3.1936. He adds that if that was the case, then 19 years previously when he first entered the school his age must have been 4.

74. The D. G. P continues

"In the last case, that of Mr. S. Puttaraj Urs, it is difficult to reconcile the facts. In the other three cases, however, all of which are supported by horoscopes it is quite possible, if not probable, that the dates of birth given when applying for Revenue Probationerships were correct. It is obvious however, that the ages given to educational institutions and accepted by them are

Serial No.

evidential value not worth the paper they are written on. Dates are variously stated, changed and are irrational. Again in any case, children cannot be blamed for the misstatements of their guardians and it is perfectly right for them when they arrive at years of discretion and wish to apply for posts in the Govt. service to correct those mistakes on the best evidence available. The fact that until 1926, a student could not appear for the S.S.L.C unless he was 16 years of age may have induced parents or guardians to advance the ages of applicants.

75. In Mr. Pattaraj urs' case, it is a question whether he or his uncle who, fairly obviously, made a false declaration before a Magistrate is to be held responsible."

77. This case relates to the cases of the undermentioned 4 officials who are now employed in the Police Dept. and who were reported to have given incorrect ages in connection with their applications for appointment as Probationers recently:

		Age given in S.S.L.C Certf.	Age given in applicat for probatn
(1)	Mr G.N. Linigappa,	Sub Inspector of Police	15-1-11	15-1-13
(2)	.. M.S. Boriah,	Clerk office of the A.S.P, Provincial Reserve.	11-4-09	12-6-13
(3)	.. B. Nagabhushan Acharya	Prosecuting Sub Inspector of Police	20-1-05	16-1-13
(4)	S. Puttaraj Urs	Prob. Sub Inspr.	Feb. 1910	June 1914

78. The I.G. of Police has obtained the explanations of the above officials in regard to the discrepancy observed, and forwarded them to Government. They are all of the usually type viz that when they gave the age for S.S.L.C (or lower classes) they did not care to verify the true age but gave whatever they thought fit, and it was only when they entered Service (or a little earlier) that they made serious attempts to ascertain their real age and that the age given on the latter occasion is to be accepted as correct

Serial No.

79 With the nature of the evidence produced it is not possible to come to any definite conclusion as to what is the real age of any of the persons referred to ~~the Revenue Commissioner's letter of the 6th June~~ One common feature however is that in all cases the age given in every case for the S.S.L.C. is an earlier date than for entry into Service The Revenue Commissioner is of opinion that the age given for S.S.L.C. is more likely to be the correct one as "there was no inducement then to give a false date." On the other hand, the persons concerned plead that the age given in their School Stage was not done with any due sense of responsibility. ~~and The age~~ The age of the persons as they now claim to be correct, and the year of passing the M. Lower Secondary Examination, are given below :—

	Correct age as now claimed	Year of passing L.S.	Age at time of passing L.C.
(1) Mr. G.N. Lingappa	15.1.1913	1923-24	11 years
(2) " M.S. Bonah	12-6-1913	1922	9 years
(3) " B. Nagabhushan Adathya	16.1.1913	1922	10 yrs
(4) " S. Puttaraj Urs	~~15.1.1913~~ June 1914	1924-25	10 or 11½

(D.G.P. says he must have been 4 yrs when he first entered the School)

WD 03591—GPB—30,000—13-7-35

80. The D.G.P. disbelieves the age given in the case of Mr S. Puttaraj Urs, but does not appear to consider that the other ages are impossible.

81. It is difficult to believe that any of these could have passed the Lower Secondary Examn. at the ages of 9, 10 & 11, unless they be extraordinarily precocious. Whether these ~~accepted~~ ages already accepted for service may continue unchanged or any other action is necessary is for orders.

82. The correspondence makes clear with what irresponsibility the age of birth is given for the Examn. and what light view is taken of giving a false age. In fact, the line of defence of one candidate – Mr Nagabhushana Aradhya – is that in no case was the ~~actually~~ actual date of birth given in the Schools nor was it insisted upon & that on this account no value need be attached to the ages given for the Examinations.

83 There is difference of opinion between the I.G.P and the R.C. as regards the bona fides of the ages given at the time, students appeared for the S.S.L.C. Exam^n. The R.C. seems to think that the ages given at the time of the S.S.L.C. Exams are more reliable as having been given at a time when boys and parents would be unsophisticated and would give those ages with no idea of a future advantage. The I.G.P. however feels that the boys should not be penalised for the misstatements of the parents.

84 As regards the differences in the ages given by Nafathulla Ansariya, it is to be noted that there was something wrong from the beginning. For the Lower Secondary Ex^n. he gave his date of birth as 1908 and when he went to the High School, he gave it as 5.6.1909 both in the S.S.L.C. Rgr it was noted as 20.1.1905. In view of this, it is difficult to presume that he had any dishonest intention in changing the dates from time to time and that then such change would affect his subsequent career adversely. The reasons for these variations, it is difficult to explain. The I.G.P. thinks that in the case of 1 Nafathulla alone, the facts cannot be reconciled. It is for orders whether any action is called for in this case and if so, whether the I.G.P. may be asked

SIR,

In continuation of my letter No. C. 3626/36-37 dated 5-5-1937 forwarding the report of the Committee appointed in G.O. No. 2087-91/C.B. 125-36-1 dated 23-2-1937 for the selection of Probationers, I have the honour to state as follows:-

1. Complaints having been received by me that several candidates had given false age with a view to get round the age limit prescribed in the Government Notification, I ordered that candidates selected for interview should produce their S.S.L.C., Certificates. It was found that while most of the candidates produced the certificates some failed to do so. In the latter case the Registers in the Mysore Local Examination Office were referred to. It was observed that in the case of several candidates that the date of birth as entered in the S.S.L.C., Certificate was different from the date mentioned in the application. The explanation invariably given by the candidates for the discrepancy was, that they gave their age without verification at the time of appearing for the S.S.L.C., Examination and that the date given by them now is correct. The nature of evidence produced in support of the age now given is either a sworn declaration before a Magistrate or a horoscope both of which are not difficult of production. At the time they appeared for the S.S.L.C., Examination there was no inducement for them to give false date of birth whereas now they have a strong inducement to give a different and a later date of birth in order to entitle their application to be considered. In these circumstances, the age given in the S.S.L.C., Certificate is more likely to be in

P. T. O.

in accordance with truth.

2. I may refer to certain instances that came to the notice of the Committee. 9 Urasu candidates had applied for the Probationer's posts this year. Of them 3 were selected for interview. An anonymous petition was received by me on 30-4-1937 alleging that the three Urasu candidates selected for interview were advanced in age and complaining that while those who had given correct age were not selected for interview, the three had scored an advantage by giving false age. This communication was immediately followed by the receipt of an extract from the Admission Register of the Madras Law College relating to one Mr. B.C. Chennaraj Urs. This candidate had been selected for interview and he had mentioned his date of birth in his application as 1-12-1913. But accord tract from the Admission Register his date of birth was 16-9-1911 and this corresponds also to the date as entered in the S.S.L.C. Register. The evidence produced by this candidate in support of the date of birth mentioned in his application is a horoscope. In the circumstances of the case, the genuineness of the horoscope is open to serious doubt. Similarly in the case of another Urasu candidate (Mr. Puttaraj Urs) who came for interview, the marginally noted discrepancy was observed between the date of given by him in his application and the date as entered in the S.S.L.C. Register. The evidence produced by him in support of the former age is an affidavit signed before a Magistrate.

Date of birth given in the application	Date of birth as entered in the S.S.L.C.Register
June 1914	February 1910.

3. Another instance relates to a candidate of the Sukasali community by name Mr. M. Narasappa, who was selected for interview. In his application he mentioned his age as 25. When he appeared before the Committee he looked old and as he failed to produce the S.S.L.C. Certificate enquiry was made in the Office of the Secretary, Mysore Local Examination Board and was found that the candidate's date of birth according to the S.S.L.C., Register was 20-6-1907.

4. Another bad case which I beg to bring to notice of Government is that of Mr. B. Nagabhushana Aradhya who is

is employed as Prosecuting Sub Inspector of Police. When he - appeared before the Committee he looked old. The Registers in the Local Examination Office were referred to and it was found that his date of birth as entered in the S.S.L.C. Register was 20-1-1905. This candidate who was over 30 years old had mentioned his date of birth in the application as 16-6-1913. The conduct of these persons who unscrupulously made false declarations of their age amounts to the criminal offence of cheating and it is necessary that the matter should not be allowed to go unnoticed. Otherwise we shall be penalising the candidates who are too honourable or scrupulous to descend to such questionable methods.

5. I enclose herein a statement showing the date of - birth as given in the application and that as entered in the S.S.L.C Register of certain candidates who applied for selection as Probationers. It may be seen that the advantage sought to be gained varies from 2 years to 8 years.

6. The matter was talked over by the Committee and they were strongly of opinion that disciplinary action should be taken in all cases in which there had been an underestimating of age. I beg to suggest that such of the candidates who are not in service and who have given false ages should be debarred from entering Government service. As regards those who are already in service they may be suitably punished. The latter must have declared false age when they entered Government Service.

I have the honour to be
Sir,
Your most obedient servant,

Revenue Commissioner.

SIR,

Reference:- Your letter No. 3052/C.B. Enc.5 dated 11th June 1937.

Subject:- False age declaration by Mr. N.V. Siddalingappa, Probationer in the Industries and Commerce Department

---

I have the honour to inform you that Mr. N.V. Siddalingappa was requested to explain the circumstances under which the date of his birth was shown as 23rd August 1912 in his application for the Revenue Probationership whereas he had delcared his age as 1908 in the S.S.L.C. Register. I submit herewith copy of his explanation. He states that 23rd August 1912 is really his correct age and that he had once approached the University to make the necessary corrections. Mr. Siddalingappa does not state what reply he got from the University when he approached them to have the necessary corrections made. Probably, the University could not accede to his request. One can understand a possible mistake of a few months in the declaration of one's age but in this instance, the discrepancy is more than four years. It is very curious that Mr. Siddalingappa took more than a fortnight to offer this explanation. If he was absolutely certain that there was no false declaration of age, as he stated in his explanatory letter, then it was open to him to have given an immediate reply. But

But he has taken a fortnight to give a reply and I understand that this reply has been drafted by an Advocate in the City. His explanation does not seem to be acceptable.

In this connection, I would like to submit that since he entered this Department as a Probationer, he has always been trying to get out of the Department and he was in the habit of applying for appointments either advertised by the Government or within the patronage of Government by nomination. His work as the Marketing Probationer leaves much to be desired. He has always left an impression on my mind that he is not entirely dependable. Persons who have been appointed as Probationers are to enter the ranks of Officers in different Departments as soon as their Probationery period is over, their conduct and behaviour should be of the highest standard as otherwise the service becomes corrupt. A M.Sc. of the Mysore University who can stoop to such tricks cannot easily be considered fit to be an Officer of the State unless and until he gives proofs that he has turned over a new leaf and he could be depended upon.

The case deserves the notice of Government for a suitable punishment. I submit that he may be posted as a clerk in some Government Office and removed from the Department of Industries and Commerce. It will be a great hardship to him if he should be given this punishment and continued in the same Department. I beg further that his emoluments need not suffer

Submission note dated 30th June 1937 from Mr. N.V. Siddalingappa, M.Sc., Commerce Probationer to the Director of Industries and Commerce in Mysore, Bangalore.

With reference to the memo No.B.C.B. 34/36.37 issued to me I beg to submit the following explanation.

The date entered in my S.S.L.C. Register as my date of birth is a wrong date. After entering the University I wrote to the University authorities inviting their attention to the fact that a mistake had crept as regards the date of my birth and requesting that it may be rectified. But, even since then I have given the correct date of birth, that is, the one mentioned in my application for the Revenue Probationer's post. In fact, the same date will be found in my College register and in my service register. In the light of these facts, I respectfully submit that there has been no misrepresentation by me regarding my date of birth in my application for the Revenue Probationer's post and I have not sought to secure any unfair advantage in connection with the said application. I very much regret that the mistake should have ~~xexx~~ occurred and I request that the matter may be viewed sympathetically.

PRINCIPAL.

MAHARAJA'S COLLEGE,

The date of birth of Mr. N.V. Siddalingappa, as entered in the college records, is August 23rd. 1912.

J. C. Rollo.

Principal.

UNIVERSITY OF MYSORE

Letter dated the 5th November 1930 from N.Veerappa, Hospet. Gubbi. to the ~~Registrar~~ Vice Chancellor, University of Mysore.

I desire to bring to your kind observation the following information. My son N.V.Siddalingappa, passed his Intermediate Examination in Science in the year 1929-30 and is now studying in the Maharaja's College. His register number in the Intermediate examination was 524. The age he had given when he had appeared for Matriculation was wrong and the same error has been continued even when he had appeared for Inter. Science examination Since this may mar his career I want to see that his correct date of birth is registered in your office soon. I possess his horoscope and will send it to your office, sir, if you desire, immediately. Further, I humbly request you to kindly furnish me with particulars as to what more I should send to you along with his horoscope to get his real birth date and age registered in your office. I fully hope that you would most kindly reply me early.

Letter dated nil from Mr. N.V.Siddalingappa received in the University Office on the 8th December 1930

I desire to bring to your kind observation the reply that has been received by my father from your office for his letter. Sir, when I passed my Matriculation examination a wrong date of my birth was mentioned in my certificate. The same error continued even when I passed my Intermediate Science examination held in March 1930 at which examination my register number was 524. Hence my father wrote a letter to you to the effect the correct date of my birth registered in your office

My father possesses my horoscope. But to his surprise he received a reply from one of your officers in which it is stated that it was not possible to register my correct date of birth in your office.

Sometime back a dear friend of mine P.M.Seshadrisekhan has got his correct date of birth registered in your office through his father since his birth date mentioned in his Matriculation certificate was wrong. His father when wrote a letter to your office for the same was asked to send his son's horoscope along with two testimonials from gazetted officers to the effect that the horoscope produced by him was correct. Accordingly he sent the horoscope along with two testimonials whereupon P.M.Seshadrisekharan's correct date of birth was registered in your office and a letter to him was despatched from your office stating that such and such a date of his son's birth sent by him has been properly registered at your office and also reminding him to ask his son not to commit such error in future. P.M.Seshadrisekharan passed his Inter.Science general examination held in March 1930 at which examination his register number was 512 and is now studying in Junior B.Sc. class in Central College, Bangalore.

But my father received a reply from one of your officers as that it is not possible to effect my correct date of birth registered in your office and I have herewith sent that letter also, sir, for your kind consideration. Further I request you to kindly allow my father to similarly get my correct date of birth registered in your office. And I once again request you, sir, to kindly reply my father stating as to how he must get my correct date of birth registered in your office

early. Hoping that you would most kindly oblige me by writing a reply to my father soon, sir.

I have also herewith attached a certified copy of an extract from the Register of births & deaths from the Amildar, Gubbi, giving the full details about my date of birth which will fully endorse the statement that I have given. His Highness the Maharaja of Mysore,

CHIEF SECRETARY. CB * 30. SEP. 1937 * GOVT. OF MYSORE.

SIR,

With reference to your letter No.3054/C.B., dated the 11th June 1937, and subsequent reminder dated 11th August 1937, I have the honour to state that the cases in which candidates for the posts of Revenue Probationers are alleged to have given false ages have been investigated with the following results.-

The case of Mr. G.N.Lingappa.-

The applicant in this case gave his age as 13 years in 1922 making the year of birth 1908. In 1924-25 when he entered the High School, Tiptur, the year of birth was given as 1910; when he entered the Maharaja's High School in 1927 the date of birth was given as 15-1-1911. This age was continued in the S.S.L.C.Register, in the Intermediate College, Mysore, and in the Central College, Bangalore.

Mr. Lingappa was enlisted as a clerk in this Department on 19-11-35 Then for the first time in his life an attempt was made to discover his real date of birth, and he was able to produce his horoscope which shows that he was born on 15-1-1913. According to this horoscope, therefore. the age given in his application for Revenue Probationer's Post on 30-1-36, viz., 23 years. was correct. It also may be seen that if his date of birth was 15-1-1913, he was ten years of age when he first went to School in 1923 which seems reasonable.

The case of Mr. M.S.Boriah.-

The date of birth of the applicant in this case was given as 14-4-19[illegible] when he went to Marimallappa's High School in Mysore in 1922; Maharaja's High

School in Mysore in 1927; Maharaja's College in Mysore 1932. In his application to the Central Recruitment Board in November 1933 the year of birth was given as 1911. When he applied for Revenue Probationer's Post in 1937 the date of birth was given as 12-6-1913. This last date was accepted by the State Life Insurance Company in 1935 when he produced his horoscope. He was, therefore, 23 years of age and in his 24th year when he applied for Revenue Probationer's Post. Taking the date of birth as 12-6-1913 Mr.Boriah must have been 9 years old when he first went to School.

The case of Mr. B. Nagabhushana Aradhya.-

When applying for the L.S.Examination in 1922, the year of birth was given as 1908, but when he went to the Sarada Vilas High School, Mysore, in 1923 the date of birth was given as 5-6-1909. When, however, the entry was made in the S.S.L.C.Register, $4\frac{1}{2}$ years was added to the student's age, the date of birth being entered as 20-1-1905. In the Intermediate College, Mysore, the year of birth was given as 1908, in the Maharaja's College as 1910 and in the Law College, Poona, variously as 1910 and 1911. When he came to apply for the Sub Inspector's post in 1935 his date of birth was ascertained from the horoscope to be 16-1-1913. This date would make the applicant 24 years of age in 1937 and 10 years when he first went to school in 1922.

The case of Mr. S.Puttaraj Urs.-

In 1918 the date of birth in this case was given as 1903; In 1925 when he went to the Maharaja's High School, Mysore, the date was altered to September,1911; in the S.S.L.C.certificate to February,1910. His year of birth while in the Intermediate College in 1928 is given as 1911. When applying for Probationary Sub Inspector's post in this department and the Revenue Probationer's Post in 1937 the year of birth was given as June 1914. In the case the last date was based on the statement of his uncle. The matter, however, presents some difficulty since if the applicant was born in June,1914, he must have been 22 on 28-3-1937. If that was the case, then 19 years previously when he first entered the school his age must have been 4.

In the last case, that of Mr. S.Puttaraj Urs, it is difficult to reconcile the facts. In the other three cases, however, all of which are supported by horoscopes it is quite possible, if not probable, that the dates

of birth given when applying for Revenue Probationer's posts were correct. It is obvious, however, that the ages given to educational institutions and accepted by them are evidential value not worth the paper they were written on. Dates are variously stated, changed and are irrational. Again, in any case, children cannot be blamed for the mis-statements of their guardians and it is perfectly right for them when they arrive at years of discretion and wish to apply for posts in the Government service to correct those mistakes on the best evidence available. The fact that until 1926 a student could not appear for the S.S.L.C. unless he was 16 years of age may have induced parents or guardians to advance the ages of applicants.

In Mr. Puttaraj Urs' case, it is a question whether he or his uncle who, fairly obviously, made a false declaration before a Magistrate is to be held responsible.

I have the honour to be,
Sir,
Your most obedient servant,

INSPECTOR GENERAL OF POLICE.

Due to some family inconvenience and trouble I did not join any college in 1930 When I appeared for the Intermediate examination in Science, through the same College, as a private candidate and passed the examination

With reference to Chief officers reference about my giving the date of my birth as 15-1-191, in my application for Revenue Probationers' Post in 1935 and as 15-1-1913 in my application to Revenue probationers post in 1937, I wish to submit as follows

In my birth certificate the date of my birth had been entered as 15-1-1911. When I applied for the Revenue Probationers Post in 1935, I put the same date, as my original horoscope was not traced. Thereupon I applied for a Clerks post in the police department and I got it. When my Service Register was opened in the Provincial Reserve police office I was asked to produce my original horoscope or an affidavit before a magistrate in support of my date of birth, as required under clause (e) Annexure 26 of M.C.S.R Volume I. Thereupon, I began to write to my elders, with the request that the original horoscope was traced in ~~the~~ Aapu old records in my eldest Sister's house, in Chickamankandali Tq, according to which Horoscope my date of birth was 15-1-1913 I produced the same and it entered in my Service Register. The same date I gave in my Life Insurance proposal (Reserve Public Branch) and the same was accepted the same date as being

Register and the same date I had given in my application to probationary Sub-Inspectors post.

In these circumstances beg to submit that I did not mention the date of birth as 15-1-1911 with any ad motive. When I had applied for Revenue probationers' post this year (1937) I had mentioned my date of birth, according to the original horoscope and the Service Register which was also opened according to the horoscope. ie 15-1-1912.

I beg to State that I am sorry, I did not know the exact date of my birth, when I had appeared for the S.S.L.C. examination as I was too young then and had lost my parents also by that time, and the same date (15-1-1911) which was given by some body at the time of my application for the S.S.L.C Examination had been continued in the College Register also. and the same date was continued by me till the original horoscope was traced

As regards my age given in the application for the appointment in the Police Department the age was stated approximately in years as 22 without reference to any documentary evidence. The same date was produced to the Secretary, Life Insurance and accepted. The same date which was furnished three years back was furnished when applying for probationer's post.

I do not know when exactly I joined the school. I passed My L.S. examination in the year 1922, S.S.L.C. examination in the year 1925, when I was at Marimallappa's High School, Mysore, Entrance examination in the year 1927 in Collegiate High School, Mysore and B.A., in the year 1932 in Maharaja's College.

In this connection I beg to state that I have no intention of giving my false age with any view.

In reply, r

Report dated 6th August 1937, from the Prosecuting Sub-Inspector Mr.B.N.Aradhya, Chickballapur I Court.

I beg to report that I joined School at Nanjangud Mysore District and passed my Lower Secondary Examination in the First attempt studying in the Wesleyan Mission School - which was abolished about 10 years back, hence I am not aware where to get at the correct date. But in corroboration to my S.S.L.C.Certificate, I can say that I ha passed Lower -- Secondary in 1922. Re.S.S.L.C. I passed in the year 1926 from the Sharada vilasa High School, Mysore, giving my age as 21 years. Later I joined the Intermediate college at Mysore, - passed Senior Inter, did B.A. degree Examination in the year 1910 i.e., when I was 21 years of age. After that I joined the Poona Law College Bombay University and passed L.L.B. in 1933. 44!

23 According to the age noted in the S.S.L.C. Register, I should have been 21 years of age at the time of passing that examination which is clearly opposed to facts in as much as that according to my age noted in the Maharaja's College, - Mysore, then also, I should certainly have continued the same and then I ought to have been 26 years when I passed my B.A. instead I have given my date of birth as 1910. I substantiate this, I beg to enclose the leaving certificate of the ~~Sahanae~~ Jas Maharaja's College Mysore where in I have given my date of birth as 1910. In fact in no case is the actual date of birth given nor was it insisted upon. As may be observed - throughout my Educational Career, either in S.S.L.C. or in - Inter or in B.A.Examination. No two dates agree.

In the peculiar circumstances of the case I prav that my date of birth may be admitted as 16-1-1913 as per horoscope and condone the unfortunate discrepancy.

Explanation of Mr.B.N. Aradhya, Prosecuting Sub Inspector Special First Class Magistrate's Court, Chickballapur dated 18-6-1937

I beg to submit that the dates of birth given by me during my school and college careers do not tally and I have presented a seperate and full explanation to the Revenue Commissioner on 17-5-37 affixing my horoscope as well as Extract from the Birth Register. My date of birth is 16-1-1913 and not 20-1-05 as given in the S.S.L.C. Register After I receive my application with the horoscope and extract from the office of the Revenue Commissioner, I will submit the same for orders.

Sd.B.N. Aradhya,

"COPY"

Superintendent of Police
Kolar District.

To

The Revenue Commissioner in Mysore,

BANGALORE.

Sir,

In connection with my application for an appointment as Revenue Probationer, I see from a copy of the S. S. L C. certificate that the year of my birth is shown as 1905. According to this, I am supposed to be 32 years of age at present. This is obviously a mistake showing a difference of 7 to 8 years and I may, therefore, be permitted to make the position clear with regard to my actual age.

I am guilty of not having consulted my parents at any time previously while furnishing my age in the applications for the several examinations for which I appeared from time to time In fact, in no case is the actual date of birth mentioned nor was it insisted upon by my teachers or Heads of Institutions.

I furnish below the details of my educational career, based on my personal knowledge and enquiries with my elders and teachers. I passed my English Lower Secondary Examination when I was just ten years My teachers appear to have advised my parents not to allow me to sit for the S. S. L. C. Examination held in 1925, on account of my tender age and in view of the fact that it might affect my health which at the moment was very poor. In spite of this, I appeared for the examination in that year and failed. The year or years in which I passed the examinations are noted below:-

Serial No	Name of the Examination	Year of Passing	Actual age according to Horscope.	Age as noted in the school and College Registers.
1.	M. L. S.	1922	10.	13.
2.	S. S. L. C	1926	14.	21.
3.	B. A.	1931	19.	21.
4.	L. L. B.	1933	21.	not available

The above statement indicates that even according to the Departmental and University Registers, the year 1905 is an error which seems unaccountable.

According to the age noted in the S. S. L. C. certificate, I should have been 21 years of age at the time of passing that Examination which is clearly opposed to facts. I remember I failed in the University Entrance Examination once. due to a severe attack of bronchites at the time of the Examination. But for this delay of two years- one year in the S. S. L. C., and one year in the Entrance Examination. my progress at school and college has been uniformly good and without any break and particularly so my University career of six years. My parents arranged for the commencement of my education at a very early age and I had every facility for studies at Nanjagud and Mysore. Between the date of my passing the Middle School Examination and that of the S. S. L. C. there was an interval of 4 years. It would be most unlikely for any student normally to obtain the hall-mark of the University and the Law Degree if he commenced his University Education when he was 21 years of age. In this view, I beg to submit that my age as evidenced from the S. S. L. C. certificate may be considered to be definitely an error which has crept into the records.

As against these discrepancies, I have the substantial evidence of my original horoscope (attached hereto) which shows that my date of birth is 16-1-1913. When evidence of age had to be produced to enable me to draw my salary for the first month as Probationary Sub-Inspector of Police, I have given my sworn testimony before the Special Ist Magistrate, Bangalore with reference to the Horoscope.

There is one other aspect of the case which I would specially submit for your kind consideration. I ~~was~~ am the fifth in the series of children born in the family and even my elder sister who comes third and who is married to Mr J B Mallaradhya is only 31 years of age and her date of birth is 12-1-1906.

(extract from birth Register enclosed

Any native of Nanjangud would be in a position to corroborate my statement that Mrs. Mallaradhya is my senior and elder by at least six years.

I enclose an endorsement bearing No C.P.R No:88/36-37 dated 13-5 from the Amildar Nanjagud Taluk, stating that the extract from the birth Register of Basavanapur village (3 miles from Nanjangud) relating to the place and date of my birth is not available. This has unfortunately rendered it impossible for me to produce any otherauthorised official document to prove my correct age

In the peculiar circumstances mentioned above, I request you to kindly admit my date of birth as 16-1-1913. as per horoscope and condone the unfortunate discrepancy.

I beg to remain.

Your most obedient servant,

SIR,

With reference to your letter No.1349/C.B.,125-36-22, dated the 12th November 1937, regarding the discrepancy noticed in the age of Probationary Sub Inspector Mr. S.Puttaraj Urs, I have the honour to state that endeavours have been made to ascertain the actual age of the Probationary Sub Inspector and that the District Medical Officer has certified that he is about 25 years of age. This would mean that he was born in 1913 or thereabouts, while he has given his year of birth as 1914. The S.S.L.C.Certificate shows 1910 as the year of birth, but as I have said before, the ages noted in School Registers are not worth the paper they are written on as evidence of age. In any case, the candidate is not responsible for the age given by his parents or guardian when he first went to school. I do not propose, therefore, to proceed with the matter further.

I have the honour to be,

Mr. S. Narasappa, who is a Mysorean by birth, is a native of Harihar, Chitaldrug District, and he belongs to our Swakulasali -- Community, which is very minor and a sub sect of the Weaver Community. He passed the B.A. (Hons.) Degree Examination of the Mysore University in the year 1932 and the L.L.B. Examination of the Bombay University in the year 1936. H e is the first double graduate of our -- Community and one of the very few graduates of the Weaver Community. We have herewith enclosed the copies of his credentials for your -- information.

He is 25 years of age and has passed his University Examinations creditably. He is anxious to enter Public Service as a Probationer. He seems to have the makings of a good recruit. H e possesses excellent character and his conduct is highly spoken of. The Pategar Community will feel highly honoured if this solitary graduate is honoured with a suitable post in the Public Service of the State. My best wishes are with him.

I understand that Mr. S. Narasappa is the first graduate in this — community and it is really creditable that he should have turned his attention to education and taken his Degree in honours from the Mysore University. It - appears there are none of this community in higher grades of service and only two or three in the lower grades. There is no doubt that this important minor community deserves the kind and sympathetic encouragement and representation in service at the hands of — Benign Government. It is my earnest hope that the Government will take this opportunity to provide this young and promising person with an appointment suited to his qualifications. He belongs to a good and — honest family. H e is intelligent and well-bred. His conduct and character are commendable.

Mr. S. Narasappa was a student of the B.A. (Honours) class in Economics. The teachers of the Economics — Department found him deligent as well as intelligent. Coming as he does from a very backward community it was his determination that he should make himself prominent in the class. His work was always satisfactory. It was characterised by thoroughness and earnestness. He also took his full share of the sporting activities of the college. He played a variety of games and he was acclaimed by his colleagues a very good sportsman thoroughly inbued with the sporting spirit. Towards his superiors in the college he was loyal, obedient and respectful and thus he won the regard of all his teachers. He produces the impression of being well-bred and being put through a hard course of discipline and self-reliance. Mr. S. Narasappa, B.A. (Hons.) L. L. B., of Harihar is a young man of Sakulasali (or Pategar) Community - a Maharatta Weaver Community, which is very backward in education and is not represented in the Public Service. He is 25 years of age and has passed his University Examinations creditably. He is anxious to enter Public Service as a Probationer. He seems to have the makings of a good recruit. H e possesses excellent character and his conduct is highly spoken of. The Pategar Community will feel highly honoured if this solitary graduate is honoured with a suitable post in the Public Service of the State. My best wishes are with him.

This is to certify that I know Mr. S. Narasappa being a native of Harihar Town. He belongs to the community of weavers which is one of the most backward communities in the State. I understand that Mr. S. Narasappa is the first graduate in this — community and it is really creditable that he should have turned his attention to education and taken his Degree in honours from the Mysore University. It - appears there are none of this community in higher grades of service and only two or three in the lower grades. There is no doubt that this important minor community deserves the kind and sympathetic encouragement and representation in service at the hands of — Benign Government. It is my earnest hope that the Government will take this opportunity to provide this young and promising person with an appointment suited to his qualifications. He belongs to a good and — honest family. H e is intelligent and well-bred. His conduct and character are commendable.

Mr. S. Narasappa was a student of the B.A. (Honours) class in Economics. The teachers of the Economics Department found him deligent as well as intelligent. Coming as he does from a very backward community it was his determination that he should make himself prominent in the class. His work was always satisfactory. It was characterised by thoroughness and earnestness. He also took his full share of the sporting activities of the college. He played a variety of games and he was acclaimed by his colleagues a very good sportsman thoroughly inbued with the sporting spirit. Towards his superiors in the college he was loyal, obedient and respectful and thus he won the regard of all his teachers. H e produces the impression of being well-bred and being put through a hard course of discipline and self-reliance. I think he is in every way fit to take up the course a post in the Public Service of the Country.

Sir,

We, the members of the Swakulasali Sangha and the Community, beg to submit the following few lines for your kind consideration and favourable orders.-

Mr. S. Narasappa, who is a Mysorean by birth, is a native of Harihar, Chitaldrug District, and he belongs to our Swakulasali Community, which is very minor and a sub sect of the Weaver Community. He passed the B.A. (Hons) Degree Examination of the Mysore University in the year 1932 and the L.L.B. Examination of the Bombay University in the year 1936. He is the first double graduate of our Community and one of the very few graduates of the Weaver Community. We have herewith enclosed copies of his credentials for your information.

Our Community is the most backward of all the Communities in Hinduism and lags in progress, educational, economical and social owing to its extrme poverty. It has not been represented up till now in any of the Departments in the Higher Grades of the Government Service.

We, therefore, request that you will kindly select the above said candidate for any of the Probationers' Posts for which we pray for you always,
